

B20 CLUB OF INDIANA: Your Resource for Greener Fleet Operations

Looking for healthier air and a cleaner environment? The B20 Club of Indiana can help you take advantage of the many benefits of biodiesel fuel. This collaboration between the **American Lung Association** and **Indiana Soybean Alliance** recognizes Indiana fleets using B20 and higher biodiesel blends. Member fleets decrease emissions, reduce carbon and boost their local economies with cleaner burning, renewable B20 fuel.

Why Join the B20 Club of Indiana?

- Recognition as an environmentally friendly fleet
- Technical assistance to maximize B20 benefits
- Access to exclusive webinars, conferences and other educational resources
- Guidance on fuel quality best practices
- Networking with other fleet managers
- Promotional materials to communicate with your stakeholders
- Annual reporting on B20 results, including CO₂ and particulate reductions

B20 CLUB MEMBERS BY THE NUMBERS: (SINCE OUR FOUNDED)

Want to Join?

The B20 Club of Indiana welcomes Indiana-based public and private fleets interested in improving air quality and reducing greenhouse gas emissions. Learn more at B20ClubofIndiana.org
